

TRENT VALE

RYLANDS JUNIOR

Dear Parents and Carers

First of all a very big welcome to Trent Vale and Rylands Junior to all of our parents and carers whether you are new to the school or have been with us a while; I hope you had a good summer. We want both you and your children to enjoy your time with us at Trent Vale and Rylands Junior. As a staff we aim to be open and approachable so if you have any questions or concerns please, please ask. We are always happy to help. As a school we aim for every child to attain their full potential both academically and socially and working closely with you is vital to achieving this goal.

The first week has been very calm and enjoyable with all of the children quickly settling into the routine of the school day. The following are our school rules. We would appreciate it if you could support these rules at home with your children. They have been talked about in school and lots of the children can remember them.

Trent Vale Rules

- ⊕ We are kind and polite to everyone.
- ⊕ We allow everyone to try their best.
- ⊕ We do as we are asked, by the adults in school, first time.
- ⊕ We keep our hands, feet and objects to ourselves.
- ⊕ We take care of everything in school.
- ⊕ We all help to keep our school tidy.
- ⊕ We walk inside school at all times.

The Rylands Way

- ⊕ Follow instructions with thought and care.
- ⊕ Show good manners at all times.
- ⊕ Care for everyone and everything.

Behaviour Management

Attached to this letter is a copy of our procedure for managing inappropriate behaviour in school ('Traffic Lights' at Trent Vale and 'Time Out/Missed Playtime' at Rylands Junior). Alongside this we have a variety of ways to reward positive behaviour regularly. We know that managing the children's behaviour in a positive yet fair and firm manner in school is vital to their successful learning and we give the children lots of examples of 'green' (good) behaviour. This approach to managing behaviour along with clear bedtime routines and a healthy diet is also essential at home. If you have any questions or concerns please speak to your child's class teacher; there is support for parenting and we all recognise that it is the most difficult job anyone has to do.

Collaboration between Trent Vale Infant and Beeston Rylands Junior Schools and Staffing News

As you are all aware we have a formal collaboration agreement between the two schools. This is currently in place until 31st August 2020. However we are looking to making this arrangement more 'permanent' and we will be consulting with you very shortly about bringing the two schools closer together with one governing body. I continue to be Executive Headteacher of both schools and Mrs Barratt and Mrs Turner are Co-Heads of School at Trent Vale. Mrs Osborne is Head of School at Rylands Junior. There are regular times during the week when I am working at Trent Vale and others when I am working at Rylands Junior. If I am not on the site your child is at then Mrs Barratt, Mrs Turner or Mrs Osborne will be taking my place but it is not a long walk if you need to see me. All of us are available on the patio/playground before and after school to answer your questions and listen to your concerns. As a leadership team, but also as a whole staff team, we are constantly sharing relevant information about your children so please feel confident that whichever one of us you come to with a problem or difficulty we will all do our very best to support you - and I will always get to know!

Ensuring your child achieves their potential

At Trent Vale we want to ensure your child achieves their very best in all aspects of life. The following information will help you to support your child to do this.

Parent Information Meetings

These information meetings for parents and carers give you the opportunity to meet your child's new teacher, to find out about the routines and procedures in their new class and to **find out how you can help your child with their learning**. Please do try and attend as they help your child have a smooth transition to their new class and year group.

Resources you need at home

At the end of this letter is a list of all the cheap and cheerful resources your child needs at home if they are going to be able to continue the learning they have started at school. Most are available for a small price at the local supermarkets, Wilkinsons, B&M Bargains or The Pound shop. You could even add them to their Christmas list.

Resources your child needs at school

Your child only needs to bring their book bag with their reading books and reading diary/planner, and their water bottle. Their PE kit should come into school at the beginning of each half term. It will be sent home at the end of each half term to be washed.

Reading at Trent Vale

Working with you to successfully teach your child to read is one of the most important roles we have during your child's time at Trent Vale. We know that those children who read at home 4 times per week are the best readers. Please write in their reading diary if they have read at home; this includes practising Bear Words for those children who have just started school. Learning to read is also about a child being regularly read to so please remember to include story time as part of their bedtime routine.

Planners at Rylands Junior

Continuing to ensure your child reads at home is as important as helping them with their homework. Both of these need to be recorded in their planners by you or your child. You and your child must also **sign the**

planner every week to say that you know what they have been doing. The class teacher will also sign the planner every week.

Pencil Cases and Toys

Your child does not need a pencil case full of equipment for them to complete their work at school. If they do bring a pencil case they will be asked to keep it in their tray as the equipment they need is on their tables but we would prefer them to keep it at home. Also please do not let your child bring toys to school. We have lots for them to play with and we do not want them to get upset if their toys get broken or lost.

Other useful Information

Class Newsletters/Autumn Term Topics

You will be receiving a newsletter from your child's teacher describing what they will be learning this term. This is so you can support and encourage your child with their learning at home.

Internet Safety

We will be continually teaching the children about the importance of esafety, particularly when accessing the internet.

The esafety rules at **Trent Vale** we are encouraging them to follow are:-

1. People you don't know are strangers. They are not always who they say they are.
2. Be nice to people on the computer like you would in the playground.
3. Keep your personal information private
4. If you ever get that "uh oh" feeling, you should tell a grown up you trust.

The esafety rules we are encouraging them to follow at **Rylands Junior** are:-

Our e-safety code: Zip it, block it, flag it.

This code reminds us of our e-safety rules and the actions the children should take if any rules are broken.

Additionally we would like to remind you that the age restrictions on computer games are also an important part of esafety. For example a game is given an 18 rating because it contains images and language that is appropriate for people aged 18 and over only whether they are actually playing or watching an adult play on the game. I know that most of you are very careful about the computer games and apps you let your children have access to but can we ask you to please be extra vigilant as exposure to violent games does have a negative effect on children's behaviour.

Attendance

As a school we are constantly aiming for greater than 97% attendance and last year we are pleased to announce that we were close to achieving this at both schools. Greater than 95% attendance really helps our children achieve their potential. This is the equivalent to having only one half day off school a fortnight. As I have previously said to you I can no longer authorise family holidays in term time. However if you do have a holiday planned can you please inform us in writing so we know why your child is absent. Any time off school counts as an absence and taking a two week family holiday in school time means your child cannot achieve 95% attendance and this does impact on their achievement. We will consider fining for long or regular absence due to family holidays.

Lateness

School does start between 8.45am and 8.55am at **Rylands Junior** and at 8.55am at **Trent Vale** and we will be closing the patio doors/playground gates at 9am. The children start work, often practising their targets, straight away while the register is being taken, so being on time is also a vital part of ensuring your child succeeds. If, however, your child is late to school can you please bring them in through the main entrance. This is to make sure all registers are accurately filled in. At **Trent Vale** children must not go into school through another classroom door as it is very easy for their class teacher not to be aware of their arrival and for them not to be marked in the register. The nursery gate will be locked at 9am and 12.45pm. If you arrive after this time please go to the main entrance. This is so we can ensure the safety of the children who have already arrived in nursery.

Dogs & Smoking

Please remember the school, including the playground is a non-smoking site. This includes e-cigarettes. Also dogs are not allowed on the premises for health and safety reasons.

Jewellery

Due to health and safety children are not allowed to do PE wearing jewellery and staff are not allowed to help children remove their jewellery, including earrings. We would therefore prefer it if your child came to school wearing any jewellery. If they have got their ears pierced they need to be able to remove their own earrings before they do PE and have a small purse or similar to put them in. Any earrings worn in school should be of the small stud variety.

Text Messaging Service

Many of you will have received a 'welcome back' text message. We will be continuing to use this system to remind you of events in school and of any changes to planned events, for example after school club cancellations. Please note however that you cannot text back with this service. If your child is ill we would phone you as normal to ask you to come and collect them. However for all of these systems to be effective it is vital that we have up to date contact information. **If you do change your address, or home telephone number or mobile number then please let us know immediately.** There have been occasions when we have not been able to contact a parent or grandparent of a child when they have been ill because all the numbers we had were no longer in use.

Additionally at **Trent Vale** we will continue to use the text messaging service to inform you if your child has had a minor head bump during the day. A letter will also be sent home in their book bag. Do not worry if you receive such a text, it is for your information. If the head bump was serious we would contact you directly and take appropriate medical intervention. At **Rylands Junior** we will text you if your child has missed multiple playtimes due to inappropriate behaviour over the course of a week and if they have been late arriving to school.

School Dinners and Healthy Eating

School dinners are very healthy and are made from local fresh produce according to strict nutritional guidelines. They are free to all children at **Trent Vale** but cost £2.35 a day at **Rylands Junior** and money must be already on your Squid account unless you are in receipt of free school meals; your Squid account does not have an overdraft facility! It has been really encouraging to see so many healthy lunch boxes and snacks again in school; it really is a good habit to get our children into. **Remember we really would prefer the children not to have crisps, chocolate, sweets or fizzy drinks at school.** These are treats for you to give at home. A separate letter will be sent home about healthy lunch boxes and other treats, including birthday treats, in school.

GDPR

All of our privacy notices are available on the school website for you to look at.

Governor update

The governing body is a crucial part of the leadership and management of the school. As a voluntary group of people they hold the school to account for the use of its financial resources, the progress and attainment of the children and the strategic direction of the school.

Vacancies

Although we currently have vacancies we are not looking for additional governors until a decision has been made as to whether the two school should have one governing body. This will take place at the end of November following a 6 week consultation process. If you are interested in this very rewarding role and getting to know more about how the school operates then please speak to me. The time commitment is a maximum of 3 x 2 hour meetings per term and a visit to school during the school day if possible.

Training

Governors have recently accessed training in the following areas.

- Assessment data
- Safeguarding

Visits

Governors regularly visit school to look at specific aspects of its work. Recent visits have included the following areas:-

- A governor visit day. This allowed governors to spend time with children and staff on the playground and in the classroom. They spoke to the children about school and the statutory assessments they had taken
- Safeguarding
- Health and safety

Governors will be involved in a governor visit day in the autumn term.

Autumn term governing body meetings

Tuesday 8th October – Finance and General Purposes + Personnel committee

Wednesday 6th November – Strategic Development + Pupil committee

Thursday 14th November – Joint Collaboration Committee

Monday 28th November – Full Governing Body meeting

Dates

At the end of this newsletter I have included a list of important dates for the school year. Please put these in your diary or on your calendar; they are on the calendar on the website.

Thank you for your continued support and please remember if you have got any questions or concerns then please come in and talk to us.

Jackie Moss
Executive Headteacher

Procedure for managing inappropriate behaviour

A series of repercussions is in place if a child chooses to disregard the rules. These repercussions are hierarchical and designed to reinforce the Rylands Way and teach children how to follow this. All adults in school have the right to impose repercussions, except exclusion, which is the responsibility of the Head Teacher. If the behaviour is extreme or physical then the child should go straight to the Executive Headteacher/Head of School/Member of the SLT dependent on who is available to appropriately deal with the behaviour.

If repercussions are required, the following steps are taken:

1st violation of any rule: display pupil's name on the sad side of the whiteboard

Name

2nd violation of any rule: circle the pupil's name

*3rd violation of any rule: a diagonal line is placed through the circle.
The consequence of this is the next playtime is missed.*

Loss of playtime takes place in the classroom of the teacher on "Time out" duty. The child will be sent to this class and be expected to explain the reason for their missed play. This ensures the child is aware of the inappropriate behaviour they have displayed or the rules they have broken. This behaviour is then recorded in the "Missed Playtime" log.

Once a child returns to class, their name is rubbed off and the system begins again. It is hoped in this way that a child can then begin to display appropriate learning behaviour and start to enjoy the positive reward system.

If, however, a child returns and their behaviour continues to be inappropriate:

4th violation of any rule: a second diagonal line is drawn through the centre of the circle.

The pupil is sent to another class and remains there for ten minutes. (15 minutes playtime is lost) A child could also receive this sanction before a playtime is lost or if the teacher feels behaviour is so inappropriate that the first few stages need to be "leap frogged"

5th violation of any rule: A vertical line is drawn through the centre of the circle .The pupil is immediately sent to the Head teacher.

If a child misses 2 playtimes in a week, parents will be contacted via text message from the class teacher/school office.

At the end of each school day any names displayed on the sad side of the whiteboard are erased so that the pupils can make a positive start to the following day. However, any 'lost playtimes' from the end of the previous day will still need to be addressed.

Where there is a serious or persistent problem, parents will be contacted and invited to visit the school to discuss the issue and establish positive solutions.

In serious cases of poor behaviour involving pupils with special educational needs, staff will seek the advice of the SENCO.

The final and gravest form of action is for a child to be excluded from school either for a short time or permanently.

- Lots of paper - all different colours and sizes; scrap paper is fine; old note books and note pads; old diaries; envelopes; post its

- Lots of pens, pencils, felt pens, crayons, chalk

- Sellotape Stapler

- Scissors

- Glue

- Play dough

- Paint and paint brushes

Things your child needs at home to help with their learning.

Diary Dates 2019-20

Mon 9 th Sept	Y2 Parents Information Meeting 3.30pm (inc crèche)
Tues 10 th Sept	Y3/4 Parents Information Meeting 3.30pm (inc crèche)
Wed 11 th Sept	Y5/6 Parents Information meeting 3.30pm (inc crèche)
Thurs 12 th Sept	Y1 Parents Information Meeting 3.30pm (inc crèche)
