Upper School (Years 5 & 6) School Planning and Home Learning Grid. WC 01.03.2021

The following two lessons are an introduction to medicinal drugs (drugs that help us) and drugs that damage our bodies. Watch each lesson and complete the activities.

Medicinal Drugs

<https://classroom.thenational.academy/lessons/what-are-medicinal-drugs-68vk0e>

Nicotine and Alcohol

<https://classroom.thenational.academy/lessons/what-are-nicotine-and-alcohol-cgv3ec>

The questions for each lesson in the learning pack. These can either be completed independently or form a general discussion.

Design a poster – Keeping Healthy – The DO's and the DON'T's!

Mental wellbeing – Keeping our minds active and healthy is just as important as our bodies. Complete the staying connected activity card and connect to others.

Thursday

Word of the Day: Tension (noun)

Read through the definition of tension then bring the word to life by drawing it on the 'Vocabulary Visualiser' page...

Maths

<https://whiterosemaths.com/homelearning/>

Maple Yr 5 -Spring week 8 -Number: Fractions: Multiply non-unit fractions by an integer

Willow Yr 5 – Spring week 9 -Number: Fractions: fraction problem solving

All Yr 6 – Spring Week 8- Measures: Area of a triangle (2)

English- WORLD BOOK DAY

This WBD might feel a little different but we can definitely make sure it's just as much fun! Take a look at the list of tasks on the first 2 pages of the WBD booklet and see how many you can complete. Remember to share all of your hard work with your class teachers through photos and emails. We can't wait to see what you get up to!

Spellings

Yr 5 – Practise your '-fer' (unstressed) words.

Yr6 –practise your hyphenated words

Afternoon – At 1:20pm Upper School Classes will be having story Zoom with their classes. Please follow your classes' usual link and tune in for a great story.

The rest of your afternoon should include reading for pleasure and any activities from your World Book Day activity pack.

Friday

Read through the definition of unanimous then bring the word to life by drawing it on the 'Vocabulary Visualiser' page...

Maths

<https://whiterosemaths.com/homelearning/>

Maple Yr 5 -Spring week 8 -Number: Fractions : Multiply mixed numbers by integers

Willow Yr 5 – Spring week 9 -Number: Fractions: fraction mini assessment

All Yr 6 – Spring Week 8- Measures: Area of a triangle (3)

English- Guided Reading

Our Guided Reading book this term is 'Room 13' by Robert Swindells.

Read Chapters 14 and 15 this week then answer the following questions:

- I- Who do you think the lady might be?
- P- Is she important to the story?
- E- What does the author mean by, "Ten minutes to zero." (Pg 73).
- V- Find the words in the chapter that have the same meaning as,
 - BECOME AWARE
 - NEVER LIKELY
 - SPEAK QUIETLY
 - LOOKED

Spellings

Get your parents to test you today on the words you've been learning this week.

Reading

Remember to read part of your school book or a book from home every day. You could read to a parent, yourself, a sibling or how about on Zoom with a Grandparent or close relative?

Attenborough Nature Reserve.

Much of our leaning over the rest of the term is going to be about Attenborough. In usual times we would all visit together. Sadly, this year we cannot. If possible we would like you

Upper School (Years 5 & 6) School Planning and Home Learning Grid. WC 01.03.2021

	<p>to safely walk one route around the reserve using the map. When going around we would like you to think about the following three things.</p> <ol style="list-style-type: none">1- Who is using it and for what activities.2- What are the human (manmade) and physical (natural) features you can see. <p>Complete the “Our local Area” sheet with your observations. Please feel free to sketch and take photos of your visit.</p> <p>If you cannot get out and visit in person you can still complete the activity using the internet to research and then complete the above mentioned sheet.</p>
